questions!

The **iNDC Help Desk** is a place to ask questions about the implementation of Nationally Determined Contributions (NDC). Questions can be asked and answered in English, French, or Spanish. This support portal is accessible to all countries.

# iNDC Help Desk

UNEP DTU Partnership has launched a support portal, the **iNDC Help Desk**, to provide a place to ask questions about the implementation of **Nationally Determined Contributions (NDCs)**.

- Users can ask questions in English, French or Spanish about NDC implementation to UNEP DTU Partnership specialists
- It includes a series of frequently asked questions (FAQ) concerning NDC implementation. The answers to these questions are based on the available UNFCCC documentation and on the experience of UNEP DTU Partnership specialists

## ASK FOR SUPPORT!

Submit your questions on NDC implementation by registering at
