What constitutes the existing MRV arrangements for developing country Parties under the Convention

Transparency framework under the Paris Agreement

Article 13 of the Paris Agreement: transparency of action and support

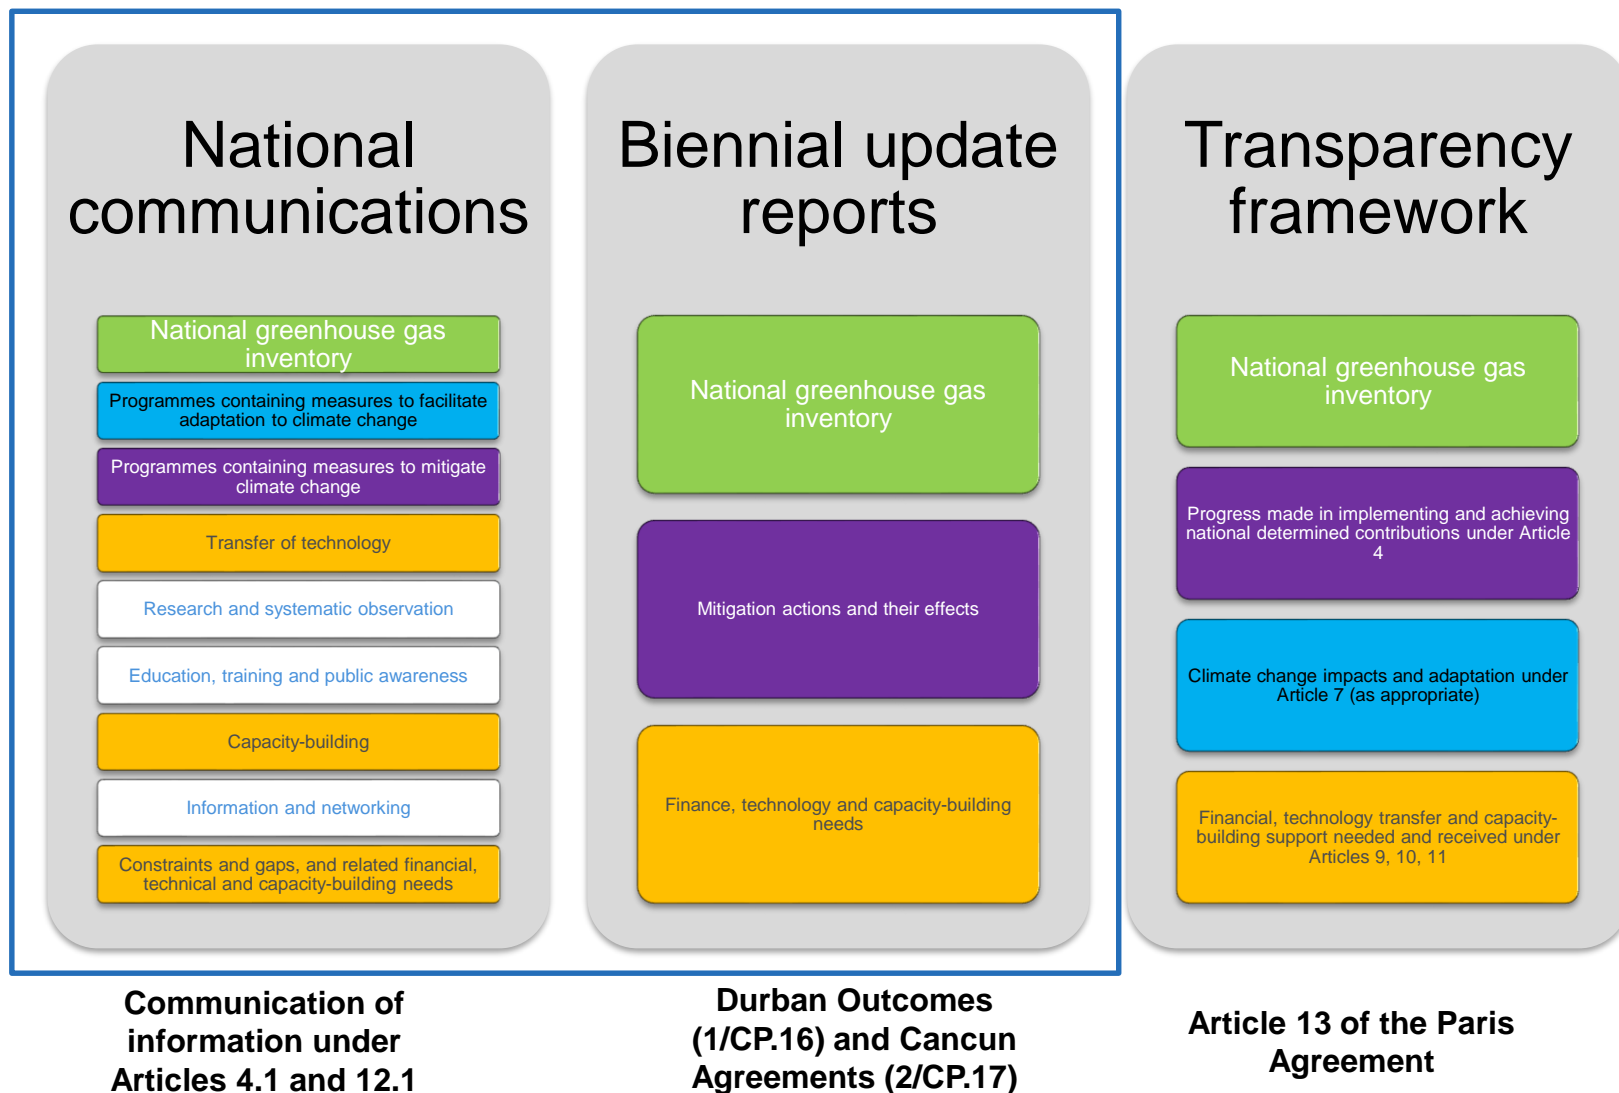

* The transparency framework shall provide flexibility in the implementation of the provisions of this Article to those developing country Parties that need it in the light of their capacities [{Article 13.2}](#);

* The transparency framework shall recognize the special circumstances of the least developed countries and small island developing States [{Article 13.3}](#).

Transparency framework vis-à-vis existing MRV arrangements: reporting

Transparency framework vis-à-vis existing MRV arrangements: consideration of information reported

National communications

NONE

Biennial update reports

Technical analysis of information submitted in BURs

Facilitative sharing of views

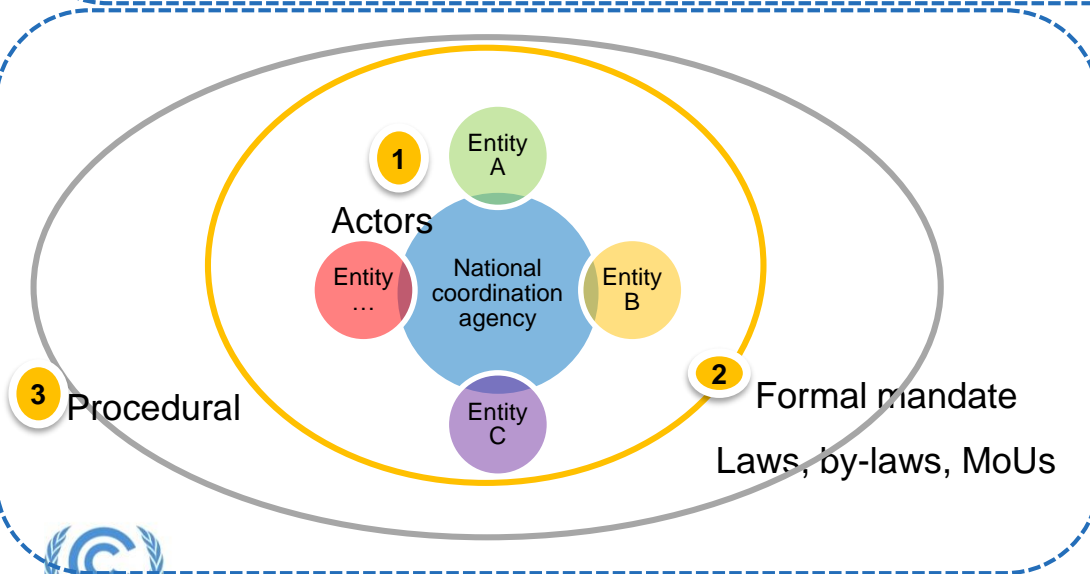

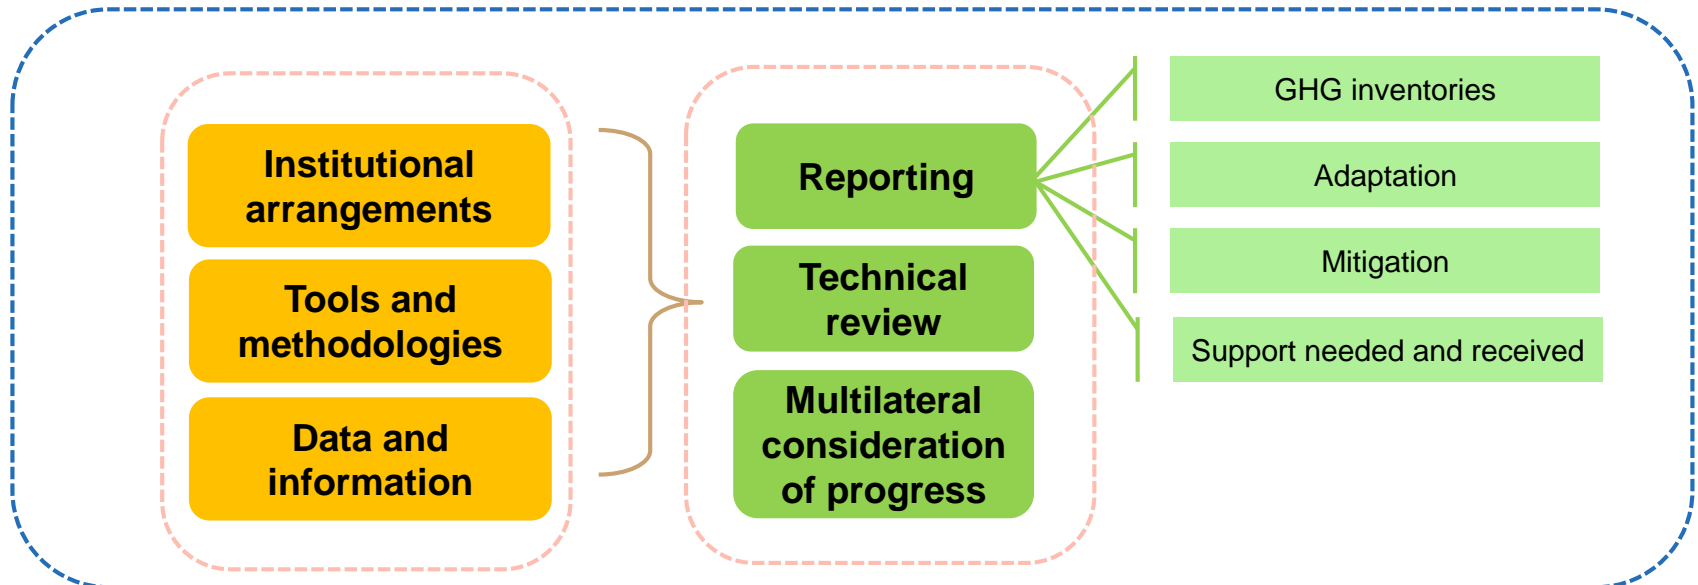

Transparency framework

Technical expert review of information submitted on national GHG inventory and tracking progress made in implementing and achieving NDCs under Article 4

Facilitative, multilateral consideration of progress with respect to efforts under Article 9, and its respective implementation and achievement of NDCs

National MRV system

Key ingredients
