GLOBAL SUPPORT
PROGRAMME

Objectives of the CBIT

CBIT is a GEF trust fund, open to all countries

The CBIT will aim:

- a) To strengthen national institutions for transparency-related activities in line with national priorities
- b) To provide relevant tools, training and assistance for meeting the provisions stipulated in Article 13 of the Agreement
- c) To assist in the improvement of transparency over time

(Paris Decision, paragraph 86)

GLOBAL SUPPORT
PROGRAMME

CBIT Global Coordination

- The platform will enable coordination, maximize learning opportunities, and enable knowledge sharing to facilitate transparency enhancements.
- The platform will engage countries, the GEF Partner Agencies, and other relevant entities and institutions with related programming activities to enhance partnership of national, multilateral, and bilaterally supported capacity-building initiatives

(CBIT Programming Directions)

GLOBAL SUPPORT
PROGRAMME

Purpose of the website

- i) To improve the global understanding of gaps and needs and facilitate the coordination of donors'/institutions' supporting efforts
- ii) To improve coordination of transparency initiatives in developing countries
- iii) To provide up-to-date knowledge resources and guidance materials relevant for transparency practice
- iv) To facilitate interaction and sharing among practitioners from developing countries, donors, and agencies.

GLOBAL SUPPORT
PROGRAMME

Quarterly snapshots & publications

- Digest the data in the transparency database into regular reports
- Improve the global understanding of countries status, and the gaps and needs of support
- Also, provide a systematic snapshot of available transparency methodologies
- Global publication on transparency (issued before the facilitative dialogue/first global stocktake)
- Publication before the end of the project analysing the global situation
- Two webinars

GLOBAL SUPPORT
PROGRAMME

Questions for donors and institutions supporting transparency:

- How is coordination working today?
- How can we make the platform relevant to your decisions (or to your work)?
- How do you think we can contribute to solving coordination problems?
- How often would you like to have updated information?
